Our innovative Soft-play Football program combines the excitement of football with the safety and stimulation of soft-play equipment, creating a unique environment that promotes fun, creativity, and personal development.

HK\$1100 Per Month
4 x 60 Minute Sessions

Are you looking for a fun and safe way to introduce your child to the world of football? Look no further than our Soft-Play Football Extravaganza! Hong Kong's first and only soft-play football program designed specifically for 2-3 year old's, offering the little ones an introduction to football through fun games and play. Taking everyday topics that children love, and then combining them into age-appropriate training, to further develop the child's coordination, balance and gross motor skills.

This course combines the excitement of football with the safety and stimulation of soft-play equipment, creating a unique environment that promotes fun, creativity, and skill development.

Each training session lasts one hour and is divided into four enjoyable fifteen-minute activities. Training is conducted indoors providing a safe environment for children to run, jump, play and explore.
